

Electronic LCA Postings

Instant Efficiencies

Fully-Compliant LCA and PAF Management Tool
Automate all Labor Condition Applications (LCA) and Public Access Files (PAF) processes with full compliance.

Manage LCAs with automated compliance
Legal teams can securely post LCAs on a custom electronic “bulletin board” and give instant access to all employees. Even third-party worksite LCAs can be shared compliantly. LCAs are automatically taken down after the requisite period.

Automate PAF creation and maintenance using eMerge

Save time and help your clients automate processes

Tracker eMerge saves valuable time and eliminates busy work by automatically creating and storing Public Access Files (PAFs) for your HR and legal teams.

Robust Reporting

Gain real-time insights into LCA posting timelines and PAF processes while ensuring an enterprise-wide audit trail for
